

List of Teaching Laboratories in the School of Business

No.	Laboratory Name	Location	Area (m ²)	Equipment	Purpose	Opening Time
1	E-Commerce Laboratory	F207	120	74 student stations, 1 projector, 1 central control, 1 audio system	Core e-commerce course experiments and curriculum design teaching	Scheduled Class Hours & On demand
2	Enterprise Informatization Laboratory	F209	120	74 student stations, 1 projector, 1 central control, 1 audio system	Management information systems, talent assessment, and data analysis experiments	Scheduled Class Hours & On demand
3	Digital Intelligence Finance Comprehensive Laboratory	F210	120	74 student stations, 1 projector, 1 central control, 1 audio system	Industry-finance integration, cultivating intelligent finance and data decision-making skills	Scheduled Class Hours & On demand
4	Experimental Center Preparation Room	F211	20	4 office workstations	Experimental teaching preparation, equipment maintenance, and technical support services	Scheduled Class Hours & On demand
5	Enterprise Simulation Laboratory	F506	60	20 student stations, 1 instructor station, 1 central control	Digital business war simulation, cultivating enterprise operation and decision-making abilities	Scheduled Class Hours & On demand
6	Economic Big Data Laboratory	F507	135	80 student stations, 1 instructor station, 1 projector, 1 central control, 1 audio system	Python big data analysis and digital economy model practical training	Scheduled Class Hours & On demand

No.	Laboratory Name	Location	Area (m ²)	Equipment	Purpose	Opening Time
7	Financial Simulation Laboratory	F508	135	60 student stations, 1 instructor station, 1 projector, 1 central control, 1 audio system	Financial modeling, investment strategy design, and innovation/entrepreneurship competition support	Scheduled Class Hours & On demand
8	Multi-Function Conference Room	F510	135	132 seats, 2 projectors, 1 central control, 1 audio system	Academic seminars, presentation rehearsals, and university-enterprise cooperation events	Scheduled Class Hours & On demand
9	Live Streaming E-Commerce Laboratory (Right)	F512 Right	30	4 student station	Live streaming planning and operation drills, building practical e-commerce capabilities	Scheduled Class Hours & On demand
10	Live Streaming E-Commerce Laboratory (Left)	F512 Left	20	2 student station	Live streaming planning and operation drills, building practical e-commerce capabilities	Scheduled Class Hours & On demand
11	Academic Competition Training Room	F513	50	52 student stations, 1 projector, 1 central control, 1 audio system	Preparation and training for various academic competitions and team collaboration discussions	Scheduled Class Hours & On demand

No.	Laboratory Name	Location	Area (m ²)	Equipment	Purpose	Opening Time
12	Enterprise Management Key Discipline Laboratory	F605	—	40 student stations, 1 instructor station, 1 multimedia system, 1 projector, 1 audio system, 40 case analysis desks	Key discipline teaching and training for university-level academic competitions	Scheduled Class Hours & On demand
13	E-Commerce Innovation & Entrepreneurship Laboratory	F606	120	40 student stations, 1 instructor station, 1 multimedia system, 1 projector, 1 audio system, 40 case analysis desks	E-commerce course experiments, innovation/entrepreneurship practice, and competition preparation	Scheduled Class Hours & On demand
14	Server Room	F611	20	13 servers, 1 precision AC, 1 multimedia system, 1 UPS, 4 monitors	Teaching resource storage, virtualized experimental environments, and data management	Scheduled Class Hours & On demand
15	Big Data Comprehensive Training Room	F612	270	90 student stations, 1 instructor station, 1 projector, 1 central control, 1 audio system	Full-process big data teaching and enterprise management sandbox simulation training	Scheduled Class Hours & On demand
16	Live Streaming E-Commerce Laboratory	G501	20	1 student station	Live streaming planning and operation drills, building practical e-commerce capabilities	Scheduled Class Hours & On demand

No.	Laboratory Name	Location	Area (m²)	Equipment	Purpose	Opening Time
17	Human Resource Management Multi-Function Laboratory	G511	120	1 instructor station, 1 projector, 1 central control, 1 audio system, 20 long tables, 72 stools, 1 sandbox simulation kit	Full-process HR simulation, competitive drills, and academic competition activities	Scheduled Class Hours & On demand
